CSF NEWS

We have some really great things going on over the summer that we would like to share with you!

National Student Conference:

August 6-10 in Evansville. This is a great time of teaching and drawing close to the Lord for our students, just before school starts. We already have 14 from our ministry signed up to go and are looking for more! We are looking to give scholarships to pay the way for as many of these students as possible (see Mark's note). If you would be interested in giving, please do!

Haiti:

Our Haiti team recently returned from another great short term trip with Lifeline Christian Missions. They were able to take part in house building projects, clinic work, and sharing the gospel among other things. Please pray that this trip has a lasting impact on those who went and those who were served.

Incoming Students:

We are in the process of meeting many incoming students. If you know any that are coming to ISU, RHIT, or St. Mary's in the fall, please let us know!

FROM MARK...

We've just completed another great year of ministry, and we're already looking forward to what God is going to do this fall. But first comes the summer.

Summer is usually the leanest time of the year for us, and we are often short of funds by the time school starts. It's especially critical this year because our reserves are dangerously low. We could really use some special gifts right now.

One of the ways that you can help is donating scholarships for the National Student Conference. Most of our students will have to take off work in order to attend, so CSF is committed to pay the \$200 registration fee for our student leaders and half for everyone else who attends. This is a big expense, so we are looking for friends who will provide scholarships – full scholarships of \$200 or half scholarships of \$100. If you could send a gift by August 1, we would be most appreciative.

-Mark

FROM ADAM...

There is something very special about the way that God uses His Church. A couple of very distinct times in my life I have seen God's people mobilize specifically in my life, and about a month ago was one of those.

I want to take this time solely to thank you. Thank you for your prayers during my time in the hospital and in recovery. Thank you for your generous hearts as you gifted Erin and me so much. Thank you for your love. Many of you I have never met face to face, but you gave a lot of care to me in spite of that. Words cannot convey my thanks for what God did through you.

I thank God for each of you. He's an awesome and powerful and loving Lord we serve!

-Adam
